In the spirit of good faith, the Fidelis Foundation was founded by Fidelis Catholic Credit Union in 2007 to provide financial support and to encourage more young Catholic students to carry on the tradition and commitment of Catholic principles. The Foundation's mission reflects the life-changing impact that a Catholic education has on children, families, and the entire Catholic community.

With your generosity, we are able to financially assist more students who wish to improve their lives by furthering their Catholic education.
