

EXCITING NEWS

We are thrilled to announce three new exciting features to our card icon in the online and mobile banking platforms. These features are designed to make your banking experience more convenient and enjoyable.

WHAT'S NEW?

TRAVEL NOTICE

You now have the ability to create, change and delete travel notices from either platform.

ACTIVATE A NEW CARD

You can now activate your new card using your 16-digit card number on either platform.

CHANGE CARD PIN NUMBER

You no longer need to call in to change your pin number. You can now change your pin number on either platform and as many times as you would like.
