*APR = Annual Percentage Rate. Rates are subject to change without notice. This is a variable rate loan. The rate is based on the prime index rate plus a margin that is based on your LTV (loan to value) ratio and credit history. Certain restrictions and limitations may apply. Home equity loans must be secured by your owner-occupied residence. All application requests are subject to credit and property approval. Borrower and/or Applicant will be responsible for closing costs and appraisal if required. Proof of homeowners insurance is required. For specific tax advice, please consult a qualified tax professional.
